To the University Community,

The **1992-93 Student and Faculty Directory** is loaded with useful information about the University and the Toledo area. We hope you use it to its fullest potential and patronize the advertisers in the Apartment Guide, On-Campus Advertising and the Yellow Page Section. All of the advertisers are anxious to serve the students, faculty and staff of UT throughout the year. Their advertising has provided the funds necessary to produce this book.

Below are the names of the people who have contributed their time and energy to the publication of this book. We thank them for all of their support.

Sincerely,

David Bentkowski **Shelly McCoy**

The University of Toledo

Toledo, Ohio 43606-3390

Office of the President
(419) 537-2211

Welcome to The University of Toledo if you are a new student and welcome back to the University if you are a continuing student. I hope you had a wonderful and relaxing summer and are ready for an exciting academic year.

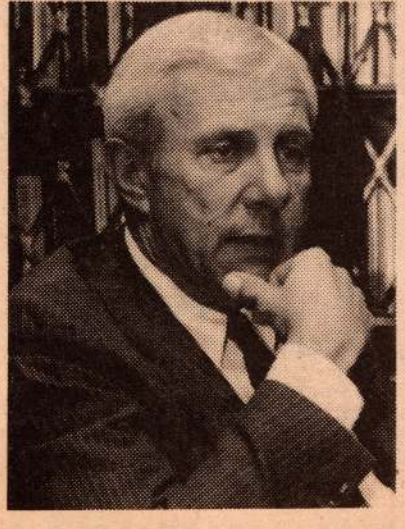

The University is a reflection of our society. Our student body is composed of full and part-time students; traditional and non-traditional students; peoples of all races, cultures and backgrounds; students from almost every county in Ohio, over forty states and 90 different countries. Our University is culturally diverse, and I hope that you will seek out the various cultures present on our campus. I think you will find the experience very rewarding.

The University is also academically diverse. UT has seven undergraduate colleges, a graduate school and a College of Law. We have many outstanding programs. Regardless of your major, I encourage you to take advantage of the academic opportunities available to you at UT.

Student involvement is the real key to success in college. We have over two-hundred student organizations, and I know you will find at least one which is a perfect fit for you.

Exciting additions to our campus include a new Student Health Center and a new Academic Residence Hall. And, the new Academic Center will open in the Fall of 1993. These new additions will provide us with additional space for our growing student population.

Best wishes for a very successful year.

Sincerely yours,

Frank E. Horton
President

How to get to the Bancroft Campus of The University of Toledo

BY BUS — Greyhound Terminal is at 811 Jefferson Ave. at Michigan Street in downtown Toledo. The "22 Franklin Park" city bus stops in front of the terminal (on Jefferson) and at the University's Bancroft campus front entrance (fare 75 cents). Trailways terminal is at 1611 Jefferson.

FROM DOWNTOWN — From downtown Toledo, board bus marked "22 Franklin Park." Bus stops at University's front entrance.

BY CAR — From Ohio Turnpike — **Best Exit:** Use Exit 4. The Ohio Turnpike Commission has installed directional signs to the University utilizing the interstate highway system. For the **best route**, however, visitors can take Reynolds Road north to Bancroft (about five miles). Turn right. Proceed on Bancroft about three miles to the campus main entrance.

FROM TURNPIKE EXIT 5 — Drive north on Detroit-Toledo Expressway (I-280) for about nine miles, crossing the Maumee River and passing the downtown Toledo exits. Take I-75 south to I-475 (Ann Arbor, Sylvania). Travel west on I-475 to second exit, Douglas Road. Turn left (south) on Douglas Road and proceed to University Hills Boulevard (4th traffic light). Turn right on University Hills for one block, then continue straight ahead into the University's main entrance.

I-75 (from South) — Continue north on I-75 past downtown Toledo to I-475 junction (Ann Arbor, Sylvania); travel west on I-475 to second exit, Douglas Road. Turn left (south) on Douglas Road and proceed to University Hills Boulevard (4th traffic light). Turn right on University Hills for one block, then continue straight ahead into the University's main entrance.

I-75 (from North) — Continue south on I-75 to I-475 (Ann Arbor, Maumee). Travel west on I-475 to second exit, Douglas Road. Turn left (south) on Douglas Road and proceed to University Boulevard (4th traffic light). Turn right on University Hills for one block, then continue straight ahead into University's main entrance.

US-23 (from North) — From US-23 bear left at I-475 east to Secor road exit (note University of Toledo signs). Proceed south on Secor to Bancroft. Turn left onto Bancroft and proceed to campus main entrance.

BY AIR — From Toledo Express Airport take cab directly to the University. Rental cars also are available at airport.

BY CAR FROM AIRPORT — Proceed east on Airport Highway to Reynolds Road. Turn left on Reynolds to Bancroft (about five miles). Turn right onto Bancroft and proceed about three miles to campus main entrance.

Campus Visit Program

Guided Tours of the campus originate at the Office of Admissions at 10:45 and 11:30 a.m. and 2 p.m. Monday through Friday, and on Saturday mornings by appointment (October 1 to June 1).

To make an appointment simply write to the Office of Admissions or phone (419)537-2696. Office hours are 8:15 a.m. to 5 p.m. Monday through Friday, and 9 a.m. to noon on Saturdays (October 1 to June 1). In addition, an interview with a member of the Admissions staff before the tour can be arranged.

Because of the popularity of campus visits, it is important to schedule a visit at least two to four weeks in advance.

Residence Hall Phone Numbers

To find out the number of a student who lives in one of the University's Residence Halls, call the front desk of the hall.

TELEPHONE USE

FROM OFF CAMPUS:

Dial the University exchange number 537 before dialing the University number desired. Numbers in the 5000 series on Bancroft campus are for inter-office use only and cannot be dialed from off campus.

CALLING ON CAMPUS:

Simply dial the four-digit number. If you are in doubt concerning a University number, call the Directory Information Office: Ext. 4242.

LOCAL CALLS:

Dial "9" for an outside line; wait for dial tone and then dial thelocal number. All Dial-9 local calls are charged at eight cents (.08|) each. You are requested to keep outgoing calls to a minimum.

LONG DISTANCE CALLS:

Simply dial: --"9" for an outside line
--dial 1 + area code + 7-digit number
Under our telephone system, the University station from which the long distance call is made will be automatically identified and details of the call will be recorded on your call detail report. Personal calls must be charged to your residence telephone number. The University telephone system is equipped with a variety of special features. Single line users should follow these instructions to activate the features listed below:

CALL FORWARDING:

All calls coming to your station may be directed to another station. Lift the handset; listen for the dial tone. Dial *1 and listen for the Special Dial Tone (interrupted dial tone). Dial the desired station number. If forwarding is accepted, the Service Set Tone (steady tone) will be heard. If forwarding is denied, the Reorder Tone (fast busy) will be heard. To cancel Call Forwarding, dial the Call Forwarding cancel code #1.

CALL FORWARDING/DON'T ANSWER OR BUSY:

All calls coming to your station may be directed to another station if your line is busy or you don't answer after three rings. Lift the handset; listen for the dial tone. Dial *2 and listen for the Special Dial Tone. Dial the desired station number to which you wish your calls forwarded. To cancel Call Forwarding/Don't Answer, dial cancel code #2.

CALL HOLD:

Ask the party to Hold; flash the switchhook once. Listen for the Special Dial Tone. Dial the Call Hold access code 17; party is placed on Hold. Do not place the handset on the telephone until you are ready to retrieve the call. Replace the handset; wait for the ring back, lift the handset, original call is reconnected .

TRANSFERRING CALLS:

Notify the outside party of the transfer. Flash the switchhook once and listen for the Special Dial Tone. Dial the desired station number. When the called station answers, announce the transfer and hang up. If the desired station is busy, flash the switchhook once again to return to the original party.

CALL PICKUP:

You may answer an incoming call directed to an unattended station within a programmed pick-up group. Lift the handset; listen for the dial tone; dial 19 and the call will automatically be connected to your telephone.

CALL BACK:

After dialing an internal number and receiving a busy signal, you can activate the Call Back feature so that you will be called back when the busy station becomes available. After encountering a busy signal, flash the switchhook once; receive the Special Dial Tone. Dial *3. Listen for the Service Set Tone and hang up. When the called station becomes available, your call is placed automatically. You may place only one call at a time with the Call Back Feature. To cancel Call Back, dial #3.

THREE WAY CALLING:

Ask your original party to hold; flash the switchhook once and listen for the Special Dial Tone. Dial the desired station number. When the station answers, announce the conference. Flash the switchhook once again and all three parties will be connected.

OUTGOING TRUNK QUEUING:

This feature allows you to be placed in a queue (waiting line) when all outgoing trunk lines are busy. Upon encountering a trunk busy indication (fast busy); flash the switchhook once; listen for the Special Dial Tone. Dial the Trunk Queuing access code *4. Listen for the Service Set tone; hang up and wait to be called back. When a trunk line becomes available your phone will ring. Lift the handset, and your call will be automatically dialed. f you need assistance in using the above features, call the Office of Telephone Services, Ext. 4200.

EMERGENCY PHONES

There are emergency phones on campus. They are all located outdoors along pedestrian routes. If you are in need of assistance from your campus police, merely lift the phone off the hook. It will automatically ring into the Campus Police Dispatch office.

EMERGENCY MAINTENANCE CALLS

After 5:00 p.m. whenever a maintenance emergency should arise on campus, we ask that you immediately notify the Security Office (ext. 2600). The security officer will record the information and contact the appropriate manager assigned to address the problem. Please remember that in any personal contact, especially by telephone you project an image not only of yourself, but of the University as well.

History of The University of Toledo

A member of the state university system of Ohio since July of 1967, The University of Toledo is entering its 115th year as one of the nation's major urban universities.

The University had its origin in 1872 with the gift of 160 acres of farmland donated by Jesup W. Scott, a public-spirited Toledoan who felt that the city should have a university to train young people for responsible positions in the growing community. Today the original land endowment is the site of the University's Scott Park campus, home of the University Community and Technical College.

In early years the University held classes in various temporary locations. As reflected in its first name —Toledo University of Arts and Trades —courses were initially concentrated in architecture, painting and manual training.

The first academic expansion came in 1904 when the University became affiliated with the Toledo Medical College and established a college of pharmacy. Affiliation with the Toledo YMCA College of Law followed in 1909. Other colleges — education, commerce and industrial science — were formed in the next decade.

A municipal institution for 84 years, the University's greatest period of growth dates from 1928. In that year Toledoans voted a bond issue for the development of a modern new campus and the construction of the first two buildings — University Hall and the Field House. Occupied in 1931, the original campus has since been expanded to two locations totaling 400 acres with more than 35 major collegiate structures. Situated in one of Toledo's finest residential areas, the campus provides a suburban atmosphere, yet remains an integral part of the civic, cultural and commercial life of the city.

The campus has undergone extensive expansion and improvement in recent years. Completed in 1976 were the 9,000-seat Centennial Hall multipurpose activities center and a new Performing Arts Center. A new Continuing Education Center was opened in 1978. Centennial Mall was added in 1980 and Stranahan Hall was completed in 1984. McMaster Hall, the new home of the department of physics and astronomy, will be completed in 1987.

James D. McComas previously president of Mississippi State University, became the twelfth president of the University in 1985.

Opened in 1969, the University Community and Technical College Scott Park campus is located 1½ miles southeast of the main campus. Its facilities include six major classroom and laboratory structures and a Student Center, completed in 1975.

The University also maintains the R.A. Stranahan (Sr.) Arboretum, a 47-acre site northwest of the main campus which was given to the University in 1964 in memory of the late Toledo industrialist and civic leader. The Arboretum serves as a natural laboratory for studies in botany, ecology and medicinal plant life.

The University of Toledo has eight colleges plus a Graduate School. The Colleges are Arts and Sciences, Business Administration, Education and Allied Professions, Engineering, Law, Pharmacy, University College which grants bachelor of arts and bachelor of science degrees based on individualized programs of study, and the University Community and Technical College. The latter offers two-year associate degrees and certificate programs.

In all, more than 140 programs of study undergraduate and more than 70 graduate and doctoral programs are offered at the University.

In fall, 1986, The University of Toledo enrollment was 21,176. These students hailed from all but 11 of Ohio's 88 counties, 40 states plus Puerto Rico and the Virgin Islands, and nearly 70 foreign countries.

In athletics, University of Toledo Rocket teams have been strong contenders in several major sports. Football squads have made post-season appearances three times at the Tangerine Bowl in Orlando, Fla., and twice at the California Bowl in Fresno. The men's basketball team has been Mid-American Conference champions or co-champions several times and in recent years have gone to NCAA or NIT play.

The University Community and Technical College is designed to provide associate degree education to individuals who reside in metropolitan Toledo and northwestern Ohio. The college offers two-year programs in a wide variety of fields plus certificate programs and other non-degree opportunities intended primarily for full-time workers who wish to improve their capabilities or train for other careers.

"My Macintosh won't help me predict my future. But it's going to help me shape it."

Matt Kosterman
Third Year Economics Major, University of Wisconsin, Madison
President, Solutions Marketing (a marketing consulting firm)

I don't know where I'll be in five years. But if I'm in the business world, I know I'll have my Apple® Macintosh® computer with me. I've seen people in business change their attitudes about computers the minute they get their hands on a Macintosh. They get this look on their faces like, "Now I get it. That's what computers are for."

I think that's what attracted me to a Macintosh in the first place. It lets you take control. You start out working the way you want to work. And it just keeps getting better.

"I'M GETTING GOOD GRADES— AND A GREAT RESUME."

"I'm still just a sophomore, but when I graduate I'm going to have more than a degree. Thanks to UPS I'm going to have a great looking resume, too.

"*Fortune* magazine rated UPS one of the 'most admired' corporations in America. And I work there. I make almost **$10,000 a year** for working about 4 hours a day in Operations, loading and unloading trucks. I'm even being considered for a promotion. Wouldn't that look great on my resume: 'Part-time Supervisor, UPS.'

"It's tough to graduate at the head of the class. But if you want to graduate ahead in the job market, just have UPS at the top of your resume."

For further information on part-time job opportunities at UPS, please visit the Student Employment Office (Room 1531 at the Student Union) or call 537-4331. An equal opportunity employer.

(419) 382-2546

Landlord Obligations Under the Law

According to the law, the landlord must:

- Comply with all safety codes set by the State of Ohio regarding buildings, housing, and health.
- Keep the premises in good habitable condition by making the necessary repairs and keeping the premises clean.
- Maintain all electrical, plumbing, heating and ventilating fixtures, as well as all appliances and elevators.
- Keep all common areas safe and sanitary.
- Provide and maintain trash receptacles and arrange for trash removal.
- Supply running water and enough hot water and heat at all times, except when the building is equipped to allow the tenant to control these utilities.
- Not abuse the Right of Access Code (entrance without consent).
- Give reasonable notice (at least 24 hours) to a tenant before entering their apartment, and enter at reasonable times unless there is an emergency.

Tenant Obligations Under the Law

According to the law, the tenant must:

- Comply with all housing laws and regulations.
- Keep that part of the premises he occupies safe and clean.
- Put out all trash and garbage in the proper containers or areas designated by the landlord.
- Operate all electrical, plumbing, and appliances properly.
- Not knowingly destroy or allow destruction of the premises.
- Not disturb others who live on the premises.
- Notify the landlord when repairs are needed, and allow entrance to the unit for repairs and inspection after reasonable notice has been provided.

Rights Guaranteed by Law

Tenants and landlords have specific rights guaranteed by the law:

LANDLORDS

- May raise the rent if there is no written agreement.
- May terminate a rental agreement if a tenante does not abide by all legal obligations set by the law.
- May evict a tenant if rent is not paid on time, a rental agreement has expired, or a violation of rules and regulations occurs which affects safety and health.

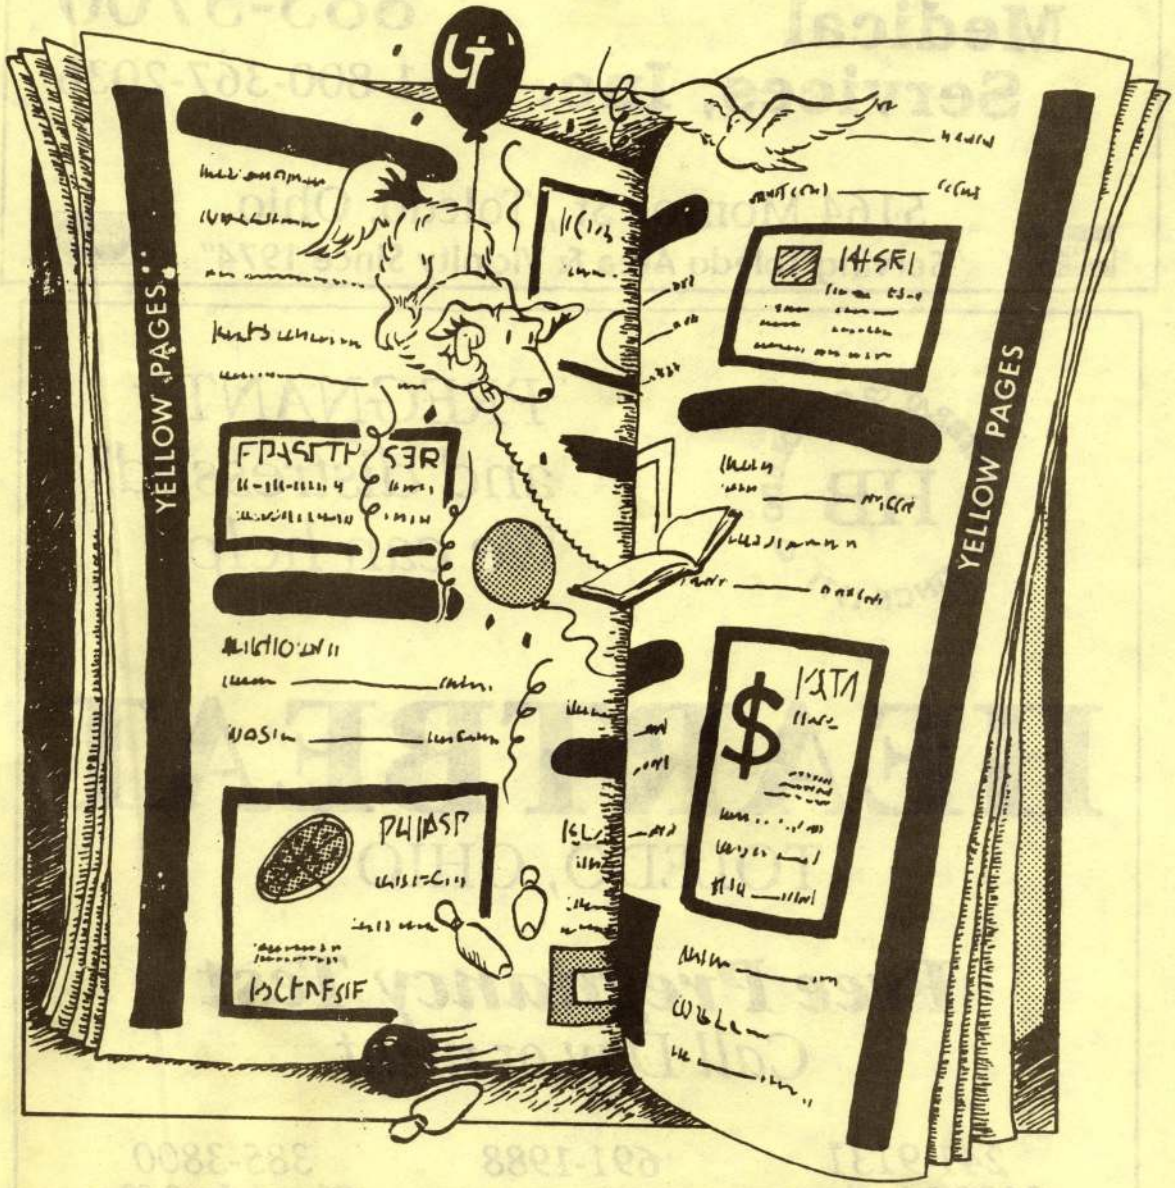

TENANTS

- May complain to the landlord if there is a failure to abide by the obligations set by the law.
- May seek outside counsel if there is possible violation of housing laws and regulations involving health and safety.
- May obtain the name and address of the property owners and managers.
- Have a right to receive notice before a rental agreement is terminated or the rent is increased.
- Have a right to a three-day notice before an eviction action is filed.

Landlord & Tenant Conflicts

There may be times when you and your landlord experience some conflicts. Most of these conflicts can be resolved through proper communication methods. A personal contact may be all you need to solve the problem. In the event that this contact does not work, you want to put your request or complaint in writing. Sometimes a nice letter can get the problem resolved. At this point, if you are not reasonably satisfied, use of the law may be necessary. Sources to contact include: the Fair Housing Center, lawyers, legal aid societies, local bar associations, and tenant unions.
